YOUR DREAM

It all starts with a spark, an idea, a dream.
To ensure that this dream becomes a reality
you need the right partner.

OUR TEAM

The team is the heart of our company. Flat hierarchies and our hands-on attitude guarantee a smooth workflow and a high degree of transparency for the client. At Kusch Yachts, we work hand in hand in a collaborative atmosphere to ensure that all our processes work smoothly.

OUR SPIRIT

Only because each and every one of us is 100% dedicated towards to the project are we able to work as efficiently as necessary to reach our „tailor-made“ standard. Since the founding of Kusch Yachts in 1981, our belief in high-quality, state-of-the-art manufacturing has stood the test of time. Every part of our yachts is meticulously crafted, down to the smallest detail.

OUR FACILITIES

A world-class shipyard with state-of-the-art facilities: Kusch Yachts is supported by Peters Werft shipyard. We are conveniently located on the river Elbe, right between Hamburg and the North Sea.

Kusch Yachts takes advantage of two large, modern dry docks with flexible protection halls, crew offices with well-appointed galleys and modern storage sheds. The outfitting quay is fully equipped with all necessary infrastructure.

A23 , A1 and A7

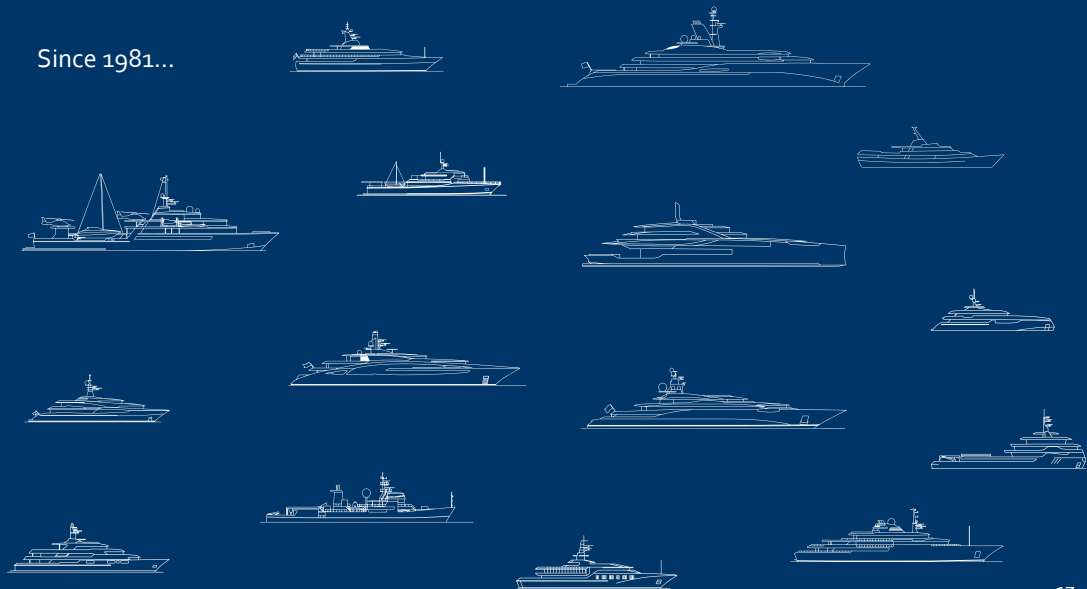

OUR TRADITION

Located at Peters Werft in Wewelsfleth in Northern Germany, Kusch Yachts has - for more than 40 years - created custom-made yachts for the world's oceans.

Skilled and experienced craftsmen collaborate with our clients to satisfy their varying needs and to translate their dreams into bespoke realities – tailor-made in Germany.

YOUR YACHT

It is a moment of pride and satisfaction for us, when we finally hand over the finished yacht. Highest standards in engineering and craftsmanship secure smooth operation and a pleasant on board experience. And while the journey of the building process ends, your journey starts here ...
